

## WOODBIDGE RUGBY UNION FOOTBALL CLUB

**Re:Playing up an age group**

**Date :**

I have agreed that my son may play up an age group to support the U18s squad and due to the low number of U16s players with which to form a viable team. This is an entirely voluntary option.

My child is willing to support the older age group and I agree for them to do so, (please sign the disclaimer below to indicate your acceptance.)

I consent for \_\_\_\_\_ [Players Name] to play up one age group.
