### SUFFOLK 7's at RHS – MATCH REPORT:

Suffolk RFU hosted its annual flagship Youth 7's competition on Sunday at The Royal Hospital School, Holbrook. The Warriors fielded 2 untried teams which culminated in the opportunity to pick up some silverware.

The B team dominated their group and semi final, winning all their matches in great style. Having conceded some early tries to Hadleigh in the 1<sup>st</sup> game, they never looked back tearing apart the opposition one by one, and scoring over 200 points on the way. The A team had a tougher time in the top group with narrow defeats to Bury A and Colchester A, but a heavy defeat to eventual Cup winners Southwold was remedied with a fine victory against Diss before going on to defeat Felixstowe in the other Plate semi final.

So the stage was set; Woodbridge A vs Woodbridge B in the Plate Final. Despite the A's edging ahead early on nothing could stop the B's winning momentum and they went on to claim the 1<sup>st</sup> silverware of the season and be crowned the Suffolk 7's Plate champions. Well done everyone involved.

### COACH'S REPORT:

*"I must admit to being a little nervous about how the boys would cope with 7's rugby. However the phrase 'ducks to water' springs to mind! They soon got used to the extra space and were using it to brilliant effect.*

*To a boy/man they played with intensity, passion and worked hard for their team-mates. Very well done boys, you should be extremely proud of yourselves. I know I am!"*

**STEVE**

*"Congratulations to all the boys on an entertaining day of rugby at RHS. Everyone played their part in both teams with 7s providing a great platform for the players to be involved in all the action. The winning team of Sam D, Ethan, Jack, Ernie, Austin, William, Max I, Louis, Harvey and Alfie can certainly claim the early season bragging rights. Great to see new boys Charlie and Louis settling in so well, and also to have Max back. Really looking forward to Sunday now, bring on the Holt!"* **JON**
