

Bringing you the latest news from the Woodbridge Warriors U13's

Hi everyone. Welcome to the latest release of 'The Warrior' for the 2014/2015 season of the Woodbridge U13's.

On a crisp and sunny Sunday morning we visited Hadleigh for a return match following their trip to Woodbridge, and an opportunity to reverse our recent defeat and get back to winning ways.

With 11 of the squad missing through injury or holidays, we fielded 17 fully committed Warriors to take on the best that Hadleigh had to offer, including a couple of their U14s thrown in for good measure...

HADLEIGH - AWAY – COACH'S REPORT:

"Well done lads! It was a really solid team performance against an improving Hadleigh side that included 2 of their U14 players. The result was important but not as important as the way in which we prepared and played the game. The scrum was solid as always and gave the backs the platform to work from.

The play of match (for me) was a second half try from a scrum where the ball was cleanly hooked out as quickly as it played in and it went through three sets of backs hands for a try. It looked simple because it was basic skills carried out very well and at speed. There were so many good performances that the Man of the Match list was very long.

The tackling is showing signs of improvement but we were still guilty of being too high on occasions. The ref was impressed by the performance with his only observations being encroachment from set plays and going off our feet at the rucks (but somehow International Players are allowed to do it!) " IAN

"It was time for revenge against Hadleigh after they beat us at home. With the pitch resembling a bog the boys needed to do the basics well. They dominated the set pieces and passed the ball along the line very well allowing the centres and wings to see plenty of action. The most impressive thing for me was the way they defended. Much of the first half was played in our half/22 but the boys would not give Hadleigh anything! Well played boys!!" STEVE

"Normality has been restored...! The recent defeat to Hadleigh was extremely frustrating, and I was delighted on Sunday having avenged the result in such great fashion. The Hadleigh coach even asked at the end if this was our 1st team – such was the difference in our attitude and performance on the day. We asked the boys to keep things simple in the heavy conditions: retain possession, get the ball out wide, and communicate. It wasn't easy, and it certainly wasn't pretty, but we stuck to the game plan bettering our opponents in every aspect of the game. A very impressive performance all round. Well done boys" JON
